Dear Friend of Shermalot Water Ski Show Team:

It is with great excitement that we welcome you to our 48th year of waterskiing entertainment! 2022 was a great year as we entered back into Division II! This would not have been possible without the support of our sponsors. Through your generosity we are able to reach thousands of spectators in the central Wisconsin area. We invite you to be part of our season this year. In this packet, you'll find a variety of cost effective sponsorship options and advertising opportunities while supporting a family-centric activity within our community. Please note that our pricing has not changed, so if you would like the same sponsorship as last year simply let us know!

Respectfully Yours,

Shermalot Water Ski Show Team

Sponsorship Options:

- **Element Level Sponsorship:** Our Platinum, Gold, Silver, Bronze, and Copper advertising packages offer special marketing opportunities not otherwise available. The Platinum and Gold sponsorships will first be offered to the business that held the place previously and then offered to those on the waiting list due to their limited nature.
- **Logo Sponsorship:** Let your business presence be known on our equipment, on a shoreline banner, on our website, t-shirts, or through a pre-recorded message. *** Any logo sponsorship requires a minimum ¼ page ad in our advertising book.***
- **Program Book Sponsorship:** Advertise your business with us in our yearly program book! This book is distributed and seen by thousands of spectators throughout the summer and for the year to come.
